

# The Mutual Fund Encyclopedia

A mutual fund is a professionally managed investment fund that pools money from many investors to purchase [[Security (finance)[securities]]. Primary structures of mutual funds include open-end funds, unit investment trusts, and closed-end funds. Security (finance) - Mutual fund fees and expenses - Open-end fund. A fund manager (or "portfolio manager") decides how to invest the money, and for this he is paid a fee, which comes from the money in the fund. Mutual funds are usually "open ended", meaning that new investors can join into the fund at any time.
