

Major & Mrs Holts Battlefield Guide To Gallipoli

Major and Mrs Holt's Battlefield Guide to Gallipoli

The fourth in the Holts' important series of Battlefield Guides (following the Somme, the Ypres Salient and the Normandy Landing Beaches) this is so much more than a guidebook (of which it is the most up-to-date, most comprehensive, ever produced). It is *the* book of the Gallipoli Peninsula. It charts in fascinating detail what happened at every recommended stop and brings alive, with cameos and anecdotes, the people who fought there: leaders, heroes, historic regiments, poets, 'Tommy', 'Digger' and 'Johnnie Turk'.

- *...here lies Doughty-Wylie VC
- *...here Simpson worked with 'Murphy' the donkey
- *...here the Sandringham Battalion of the Norfolks disappeared
- *...here the Australian Light Horse were decimated at the Nek
- *...here lay the latter-day Trojan Horse, the SS *River Clyde*
- *...here Atatürk's watch stopped a fatal bullet
